WEATHER

Cal OES State Wide Weather Briefing 01/18/16 - 01/24/16

- Tuesday's storm will bring locally heavy rain across the northern two thirds of California.
 - Higher snow levels will limit snow accumulation but travel will be impacted at the higher passes.
 - Gusty winds may impact travel and cause downed trees and localized power outages.
 - Low confidence in debris flows near recent burn scars.
 - Localized urban flooding possible.
 - Additional river rises likely but river flooding is not expected.
- Wednesday and Thursday will be mostly dry across the state except for far Northern California, but no significant impacts expected.
- Another storm will move across the state Thursday night through Friday with the potential for more enhanced impacts than Tuesday's storm.
 - A bit more flooding is possible across the far northern portions including the coastal areas similar to what was observed on Sunday, 01/17/16.
 - Additional river rises likely but river flooding is not expected.
- Lingering showers on Saturday but dry conditions Sunday into next week.
- Far southern California to remain dry through the entire week.

COASTAL REGION

North Coast

- Gusts to 35 or 45 mph along the redwood coast with gusts to 50 60 mph possible over the inland ridges on 01/19/16.
- Possible land/mud/rock slides over roads with steep embankments.
- Rain of 1" to over 2" with local amounts up to 3.5 " possible over the higher terrain on 01/19/16.
- · Water over low-lying roadways, localized urban flooding, flooded fields, and debris on roadways.

Lake County

- Rainfall of .5" to 2" on 01/19/16.
- · Low potential for Flash flooding and/or rock/debris flows.

SF/Monterey Bay Areas

- Tuesday rainfall amounts of .50" to 1" are expected in the San Francisco and Monterey Bay Region.
- Rainfall totals in the coastal ranges will average between 1" and 2" with isolated amounts as high as 3-4".

INLAND REGION

Shasta Valley - Siskiyou County

- Rainfall 1" to 2" on 01/19/16.
- South winds 15 to 25 mph with gusts to 35 mph below 6500 feet. Gusts will be higher above 6500 feet.

Eastern Sierras/Tahoe Basin

- Tonight through Tuesday 5" to 10" of snow in the high Sierra with a few inches down to lake level.
- Gusty winds 55-65 mph will develop in the typical wind prone areas.
- Travel impacts Gusty winds and dangerous cross winds combined with snow covered and icy roads over passes through Tuesday.

Sacramento and San Joaquin Valleys

- Low potential for mud and debris flows for the King and Butte Fire burn scar areas.
- Rainfall totals of .75" to 1" across the Valley and 1-3" over the Mountains can be expected Tuesday through Wednesday.
- 4" to 8" over the Sierra Nevada north of Kings Canyon NP above 7000 feet and 1" to 4" from Kings Canyon to the Kern County line above 7000 feet.

SOUTHERN REGION

South Coast

- Minor beach erosions possible with strong rip currents through 01/19/16.
- Minor flooding possible for low lying areas through 01/19/16.
- Minor damage to coastal structures possible during times of highest surf through 01/19/16.

Southern Sierras

• Travel impacts – Snow expected over passes with gusty winds through 01/19/16.

SIGNIFICANT WATCHES AND WARNINGS

COASTAL REGION

Severe Thunderstorm Warning in effect for portions of Del Norte County from 0933 hours until 1015 hours Tuesday.

INLAND REGION

CAL OES 2014 DROUGHT

Cal EOC Incident - 2014 Drought

- The SOC is activated in support of the Drought State of Emergency and continue to monitor the situation.
- The Governor issued Executive Order B-26-14 on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought, specifically through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- The Governor issued Executive Order B-29-15 on 04/01/15 which announced actions that will save water, increase enforcement to prevent wasteful water use, streamline the state's drought response and invest in new technologies to make California more drought resilient.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.
- Cal OES Recovery continues to coordinate the Community Impacts Workgroup conference calls. Currently, the calls take place on alternating Wednesdays.
- Cal OES Recovery/Individual Assistance finalized an updated 2015 version of the drought brochure of programs and services for individuals, businesses, farmers, and ranchers. It has been put on the Governor's Drought webpage. State agencies may put the following link to the brochure on their webpage http://ca.gov/drought/pdf/Drought-Assistance-Brochure-2015.pdf
- Cal OES Regions (Inland, Coastal, Southern) collective OA drought call is facilitated by the SOC and will be held once per month.

CAL OES 2014 DROUGHT

Cal EOC Incident - 2014 Drought

CAL OES MISSIONS

Ongoing Missions

• 2016-LAW-20870 1/15/16 2055 hrs: Placer County requested assistance in the search for a skier missing from the area of the Sugar Bowl Ski Resort near Donner Pass. Placer County had a general location of the missing person based on a "ping" from a cell phone, and were requesting 20 Type I personnel to search an area with heavy recent snowfall and snow slides. The request was for a search starting 0800 on 1/16. A Nordic team of 14 from Contra Costa County was in the area doing training. They agreed to commit to the search. Additional personnel were obtained from the National Ski Patrol, Northern California Unit. Update 1/17/16: Search continues using additional aviation resources from the California National Guard Update 1/18/16: The search continues using ground resources from Marin County, San Mateo County (BAMRU), Nevada County, El Dorado County, Douglas County Nevada, National Ski Patrol, and the Tahoe Nordic Ski Team. Aviation resources from the California National Guard and California Highway Patrol are being used. An additional avalanche dog will be assigned today. AFRCC is assisting with cell phone forensics. These mutual aid resources are in support of a large contingent from Placer County. Update 1/19/16: Search continues with additional personnel from Fresno and Monterey County. Mission On Going.

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
